PRODUCT DESCRIPTION

These accessories are terminal adapters for TeSys Giga 630-800 contactor. It is used to 3 Poles electrical circuit. They are screwed to the contactor terminals to increase the pitch for 80mm wide poles. The rated current is up to 800 A. It can cover -25°C to 60°C operation ambient air temperature, No derating up to 3000m altitude. Green Premium compliant (RoHs/Reach). Schneider Electric LA9G3714 is the exact active commercial reference for Spreader Kit,TeSys Giga contactor,for LC1G630-800,3 pole,box lug connections,70-80 mm pole pitch in the TeSys Giga range for high-current motor and load control. This spreader supports industrial motor starters, process equipment, pumps, compressors, HVAC installations and heavy-duty electrical panels. Official Schneider characteristics include Device short name: LA9G; Product or component type: Spreader; Accessory / separate part category: Connection accessories; Range compatibility: TeSys LC1G TeSys LR9G; Poles description: 3P; Quantity per set: Set of 3; Net weight: 1.44 kg; Product compatibility: LC1G630...800. The reference appears in Schneider Electric TeSys catalog MKTED210011EN version 17.1 and its exact regional product page confirms current commercial availability. For an RFQ, use the complete part number LA9G3714 so the rated current, pole configuration, utilization category, coil-control range and product version remain exact. Review the linked official Schneider product data sheet against the motor rating, prospective fault cur

RECORDED SPECIFICATIONS

|                    |                                                           |
|--------------------|-----------------------------------------------------------|
| Depth              | 33 mm                                                     |
| Width              | 76 mm                                                     |
| Height             | 135 mm                                                    |

MANUFACTURER DOCUMENTATION

No manufacturer document is linked because exact-SKU or compatible-family evidence has not been recorded.

Document status: This is an InduMarket product specification summary, not a manufacturer-issued datasheet. It is generated from the catalog record for the exact part number. Any linked manufacturer document passed the SKU-compatibility evidence gate. Confirm ratings, compatibility, certifications and any successor reference before ordering.
