| RFQ / on request - no stock claim | Catalog identity matched       |

PRODUCT DESCRIPTION

RECORDED SPECIFICATIONS

|                    |                                                           |
|--------------------|-----------------------------------------------------------|
| Range              | TeSys Deca                                                |
| Control type       | Push-button                                               |
| Network type       | AC                                                        |
| Product name       | TeSys GV2                                                 |
| Motor power kW     | 2.2 kW at 400/415 V AC 50/60 Hz 3 kW at 500 V AC 50/60 Hz |
| Breaking capacity  |                                                           |
| Device short name  | GV2ME                                                     |
| Network frequency  | 50/60 Hz conforming to IEC 60947-2                        |
| Poles description  | 3P                                                        |
| Device application | Motor protection                                          |

ADDITIONAL SPECIFICATIONS

|                                     |                                                  |
|-------------------------------------|--------------------------------------------------|
| Official lifecycle                  | Current official manufacturer lifecycle evidence |
| [In] rated current                  | 6.3 A                                            |
| Trip unit technology                | Thermal-magnetic                                 |
| Utilisation category                |                                                  |
| Manufacturer part number            | GV2ME103                                         |
| Product or component type           | Motor circuit breaker                            |
| Thermal protection adjustment range | 4?6.3 A conforming to IEC 60947-2                |

MANUFACTURER DOCUMENTATION

No manufacturer document is linked because exact-SKU or compatible-family evidence has not been recorded.

Document status: This is an InduMarket product specification summary, not a manufacturer-issued datasheet. It is generated from the catalog record for the exact part number. Any linked manufacturer document passed the SKU-compatibility evidence gate. Confirm ratings, compatibility, certifications and any successor reference before ordering.
