PRODUCT DESCRIPTION

Siemens 6AG1435-2AD00-4AA0 is an exact-order-code industrial communication product. Siemens' official product description states: SIPLUS D435-2 DP/PN based on 6AU1435-2AD00-0AA0 with conformal coating, 0?+55 °C, SIPLUS Drive-based Control Unit D435-2 DP/PN; programmable motion control system; standard performance; interfaces: 12 DI, 16 DI/DQ, 6 DRIVE-CLiQ 2 PROFIBUS, 3 PROFINET ports, 2 Ethernet, 2 USB, 1 option slot; including double fan/battery module and battery This listing is for exact part-number identification and RFQ matching in Egypt, the GCC and MENA. It is available on request; no stock or fixed lead-time claim is made. Confirm the exact configuration, compatibility and current lifecycle against the cited official Siemens evidence before ordering. This is a legacy installed-base replacement listing for S7-300/S7-400 demand and is not represented as a current platform.

RECORDED SPECIFICATIONS

|----------------------|-----------------------------------|
| Manufacturer         | Siemens                           |
| Product role         | Industrial Communication          |
| Supply basis         | RFQ / on request; no stock claim  |
| Listing basis        | Legacy installed-base replacement |
| Target region        | Egypt, GCC and wider MENA         |
| Digital inputs       | 12 DI                             |
| Product family       | SIMATIC S7-400 SIPLUS             |
| Lifecycle evidence   | PM400: Legacy lifecycle record    |
| Compatible equipment | 6AU1435-2AD00-0AA0                |
| Siemens order number | 6AG1435-2AD00-4AA0                |

ADDITIONAL SPECIFICATIONS

|                              |                                                                                               |
|------------------------------|-----------------------------------------------------------------------------------------------|
| Identity verification        | Exact Siemens Industry Mall product record                                                    |
| Selection requirement        | Confirm exact system, hardware release, firmware and electrical compatibility before ordering |
| Communication protocol       | PROFINET                                                                                      |
| Ambient temperature range    | 0?+55 °C                                                                                      |
| Official product description |                                                                                               |

MANUFACTURER DOCUMENTATION

No manufacturer document is linked because exact-SKU or compatible-family evidence has not been recorded.

Document status: This is an InduMarket product specification summary, not a manufacturer-issued datasheet. It is generated from the catalog record for the exact part number. Any linked manufacturer document passed the SKU-compatibility evidence gate. Confirm ratings, compatibility, certifications and any successor reference before ordering.
