| SUPPLY BASIS   | RFQ / on request - no stock claim | RECORD IDENTITY                | Catalog identity matched     |

PRODUCT DESCRIPTION

Siemens 6AG1210-1PE32-2AL0 is the exact manufacturer reference for an industrial automation module in the SIMATIC S7-1200 SIPLUS family. The recorded exact-product description states: SIPLUS G120 PM240-2 IP20-FSF-A-400V 132 kW based on 6SL3210-1PE32-5AL0 with conformal coating, -20?+50 °C, with integrated class A filter with integrated braking chopper 380-480 V 3 AC +10/-20% 47-63 Hz power high overload: 110 kW at 200% 3 s,150% 57 s,100% 240 s power rating low overload: 132 kW at 150% 3 s,110% 57 s,100% 240 s 708x 305x 357 (HxWxD), FSF design, degree of protection IP20 without CU and operating unit released as of CU FW version V4.7 HF8. This page supports exact part-number identification and RFQ matching. Availability is on request; no stock, fixed lead-time, lifecycle, or regional-demand claim is made. Confirm configuration, compatibility and current lifecycle against the cited manufacturer evidence before ordering.

RECORDED SPECIFICATIONS

|                      |                                      |
|----------------------|--------------------------------------|
| Frequency            | 47-63 Hz                             |
| Manufacturer         | Siemens                              |
| Product role         | Industrial Automation Module         |
| Supply basis         | RFQ / on request; no stock claim     |
| Listing basis        | Current Siemens automation portfolio |
| Target region        | Egypt, GCC and wider MENA            |
| Product family       | SIMATIC S7-1200 SIPLUS               |
| Lifecycle evidence   | PM300: Active Product                |
| Compatible equipment | 6SL3210-1PE32-5AL0                   |
| Degree of protection | IP20                                 |

ADDITIONAL SPECIFICATIONS

|                              |                                                                                               |
|------------------------------|-----------------------------------------------------------------------------------------------|
| Siemens order number         | 6AG1210-1PE32-2AL0                                                                            |
| Identity verification        | Exact Siemens Industry Mall product record                                                    |
| Selection requirement        | Confirm exact system, hardware release, firmware and electrical compatibility before ordering |
| Ambient temperature range    | -20?+50 °C                                                                                    |
| Official product description |                                                                                               |

MANUFACTURER DOCUMENTATION

No manufacturer document is linked because exact-SKU or compatible-family evidence has not been recorded.

Document status: This is an InduMarket product specification summary, not a manufacturer-issued datasheet. It is generated from the catalog record for the exact part number. Any linked manufacturer document passed the SKU-compatibility evidence gate. Confirm ratings, compatibility, certifications and any successor reference before ordering.
