

6GK5216-0HA10-2ES6

Siemens 6GK5216-0HA10-2ES6 - SCALANCE XP216EEC (V2), IP65, managed layer 2 IE switch, railway approval, 12x 10/100

|                |                                   |                                |                              |
|----------------|-----------------------------------|--------------------------------|------------------------------|
| BRAND          | Siemens                           | ORDER CODE / PRODUCT REFERENCE | 6GK5216-0HA10-2ES6           |
| PRODUCT FAMILY | SCALANCE Industrial Ethernet      | CATEGORY                       | Industrial Network Accessory |
| SUPPLY BASIS   | RFQ / on request - no stock claim | RECORD IDENTITY                | Catalog identity matched     |

PRODUCT DESCRIPTION

Siemens 6GK5216-0HA10-2ES6 is the exact manufacturer reference for an industrial network accessory in the SCALANCE Industrial Ethernet family. The recorded exact-product description states: SCALANCE XP216EEC (V2), IP65, managed layer 2 IE switch, railway approval, 12x 10/100 Mbps, 4x 100/1000 Mbps, M12 ports LED diagnostics, error signaling contact, redundant power supply, PROFINET IO device, network management, can be operated in redundant ring, including dust caps, -40 to +70 °C, C-PLUG optional.. This page supports exact part-number identification and RFQ matching. Availability is on request; no stock, fixed lead-time, lifecycle, or regional-demand claim is made. Confirm configuration, compatibility and current lifecycle against the cited manufacturer evidence before ordering.

RECORDED SPECIFICATIONS

|                      |                                      |
|----------------------|--------------------------------------|
| Data rate            | 10/100 Mbps                          |
| Manufacturer         | Siemens                              |
| Product role         | Industrial Network Accessory         |
| Supply basis         | RFQ / on request; no stock claim     |
| Listing basis        | Current Siemens automation portfolio |
| Target region        | Egypt, GCC and wider MENA            |
| Product family       | SCALANCE Industrial Ethernet         |
| Lifecycle evidence   | PM300: Active Product                |
| Degree of protection | IP65                                 |
| Siemens order number | 6GK5216-0HA10-2ES6                   |

ADDITIONAL SPECIFICATIONS

|                              |                                                                                               |
|------------------------------|-----------------------------------------------------------------------------------------------|
| Identity verification        | Exact Siemens Industry Mall product record                                                    |
| Selection requirement        | Confirm exact system, hardware release, firmware and electrical compatibility before ordering |
| Communication protocol       | PROFINET                                                                                      |
| Ambient temperature range    | -40 to +70 °C                                                                                 |
| Official product description |                                                                                               |

MANUFACTURER DOCUMENTATION

No manufacturer document is linked because exact-SKU or compatible-family evidence has not been recorded.

Document status: This is an InduMarket product specification summary, not a manufacturer-issued datasheet. It is generated from the catalog record for the exact part number. Any linked manufacturer document passed the SKU-compatibility evidence gate. Confirm ratings, compatibility, certifications and any successor reference before ordering.
